Jerald Melberg Gallery Opens Solo Exhibition

MANUEL REYNA

Simple Eloquence

September 11 – October 23, 2021

Jerald Melberg Gallery proudly presents an exhibition of paintings and works on paper by Argentine artist, Manuel Reyna.

Considered a national treasure in his homeland, Manuel Reyna was born in Cordoba, Argentina, in 1912, where he lived and worked until his death in 1989. Trained as a brick mason and self-taught as an artist, Reyna was honored by the Museo Caraffa in Cordoba with a major career retrospective in 2004.

Reyna's paintings possess a sense of selflessness as he silently and openly shares his world, his Argentina, with the viewer. There is a wonderful sense of solitude within these paintings, a harmony of nature and man communicated through a sensitive approach to color and impeccable attention to composition.

Jerald Melberg Gallery is located at 625 South Sharon Amity Road near the intersection with Providence Road. Gallery hours are Monday through Friday 10am-6pm, Saturday 10am-4pm. For more information about the exhibition please contact the gallery at 704.365.3000. To view selected works online, visit the gallery's web site at www.jeraldmelberg.com.
